

To all B & D customers,

Due to the pandemic we are trying to work as best we can remotely or by appointment only to ensure the safety of our customers and employees.

Please visit our website to find what manufacturers we work with to choose samples and visit their sites directly. We also have a new website www.nrfselect.com for other carpet selections. If there are any samples that you have chosen to see in person (wood, vinyl and carpet) and that we may have in our showroom, we can leave them out in our hallway to be picked up or carpet samples may be shipped directly to you.

We ask that if appointments are to be made, masks or face coverings will be required.

Also we have special financing available.

We appreciate your understanding during these difficult times that we are all facing together.

Thank you,

B & D House of Carpets and Flooring
